Tell my why
Tell my why
Wonder if I could open my heart again
If I could, if I could, if I could
Asking my why I feel like I start again
Wonder if I could open my heart again
Asking my why I feel like I start again
Wonder if I could open my heart again
Asking my why I feel like I start again

The morning comes
And the snow is falling
The morning comes
And the snow is falling
The morning comes
And the snow is falling
The morning comes
And the snow is falling

Tell me why
Tell me why
Tell me why
Tell me why

The morning comes
And the snow is falling
The morning comes
And the snow is falling
The morning comes (I can't understand the reason)
And the snow is falling (tell me why)
The morning comes (I can't understand the reason)
And the snow is falling (tell me why)
