The world was on fire, no one could save me but you  
Strange what desire will make foolish people do  
I never dreamed that I'd meet somebody like you  
And I never dreamed that I'd lose somebody like you

No I don't want to fall in love  
No I don't want to fall in love  
With you

No I don't wanna fall in love  
This world is only gonna break your heart  
No I don't want to fall in love  
This world is only gonna break your heart  
With you, with you, with you  
With you, with you, with you

What a wicked game to play  
To make me feel this way  
What a wicked thing to do  
To let me dream of you  
What a wicked thing to say  
You never felt this way  
What a wicked thing to do  
To make me dream of you

And I don't wanna fall in love  
This world is only gonna break your heart  
No I don't want to fall in love  
This world is only gonna break your heart  
With you, with you, with you  
With you, with you, with you

World was on fire, no one could save me but you  
It's strange what desire will make foolish people do  
I never dreamed that I'd love somebody like you  
I never dreamed that I'd lose somebody like you

No I don't wanna fall in love  
This world is only gonna break your heart  
No I don't wanna fall in love  
This world is only gonna break your heart

With you  
This world is only gonna break your heart  
With you  
This world is only gonna break your heart  
No I...  
This world is only gonna break your heart  
This world is only gonna break your heart  
Nobody loves no one
