Your just so beautiful it makes me cry  
You always get your way girl every time  
It breaks my heart we had to say goodbye  
I just can't let you fuck wit my mind  
My tears are bullets and my eyes a loaded gun  
I never thought I'd be the one to run from love  
Just can't lose it when it all comes push to shove  
I just can't let you fuck wit my mind  
The things you say how was I to know babe yea  
The things you did were unforgivable yea yea  
And all this time I was here for ya late yea  
Your just so beautiful it makes me cry  
You always get your way girl every time  
It breaks my heart we had to say goodbye  
I just can't let you fuck with my mind  
My tears are bullets and my eyes a loaded gun  
I never thought I'd be the one to run from love.  
You just can't lose it when it all comes push to shove  
I just can't let you fuck with my mind.  
The things you say how was I to know babe yea.  
The things you did were unforgivable yea yea.  
And all this time I was here for you late yea  
Your just so beautiful it make me wanna cry  
You always get your way girl every time.  
It breaks my heart we had to say goodbye.  
I just can't let you fuck with my mind  
My tears are bullets and my eyes are loaded guns  
I never thought I'd be the one to run from love.  
You just can't lose it when it all comes push to shove.  
I just can't let you fuck with my mind.  
Baby girl I gave you my love  
And after all the things we've been through  
You say it wasn't enough  
Girl I gave you my trust  
Say there's nothing left no regrets  
I just gotta let it be yea.  
Your just so beautiful it makes me wanna  
You always get your way girl every single time  
It breaks my heart we had to say goodbye  
I just can't let you fuck with my mind.  
My tears are bullets and my eyes are loaded guns  
I never thought I'd be the one to run from love

You just can't lose it when it all comes push to shove  
I just can't let you fuck with my mind.
