all around me are familiar faces  
worn out places  
worn out faces  
bright and early for the daily races  
going nowhere, going nowhere  
their tears are filling up their glasses  
no expression, no expression  
hide my head I want to drown my sorrow  
no tomorrow, no tomorrow...

feels like all we know is money  
find it kind of sad  
conditions we are living in  
the poverty is bad  
I find it hard to tell you  
I find it hard to take  
when people wanna hurt you  
it's a very, very  
mad world  
mad world (Oh Yeah Yeah)  
mad world (Oh Oh Oh Oh Oh Oh Oh)  
mad world (Yeah Yeah Ya Ya Ya Uh Huh)...

children waitin' for the day they feel good  
happy birthday, happy birthday  
and to feel the way that every child should  
speak and listen  
speak and listen...

went to school and I was very nervous  
no one knew me, no one knew me  
hello teacher, tell me, what's my lesson?  
look right through me, look right through me  
but all this talk of money  
i find it kind of sad (I Find It Kind of Sad)  
conditions we are living in  
the poverty is bad  
I find it hard to tell you  
I find it hard to take  
when people wanna kill you  
it's a very, very  
mad world (Oh Oh Oh Oh Oh Oh Oh)

mad world (Oh Oh Oh Oh Oh Oh Oh)  
mad world (Oh Oh Oh Oh Oh Oh Oh)  
mad world (Oh Oh Oh Oh Oh Oh Oh)...

yo, one straight level's all we got  
but there's nothin' left  
police be takin' shot  
everybody that  
children on the block  
papa working at ?  
mama doing a lot  
but economy's in a tangle  
put the peace and equality  
all we goin' the same  
now we started brutality  
people lookin' for change  
haters lookin' for blame  
ten of these lookin' the same  
here's the hope for humanity  
'less the plan is humane...

mad world (Oh Oh Oh Oh Oh Oh Oh)  
mad world (Oh Oh Oh Oh Oh Oh Oh)  
mad world (Oh Oh Oh Oh Oh Oh Oh)  
mad world (Oh Oh Oh Oh Oh Oh Oh)...

Yo, Yo, Yo, Yo  
it's crazy right now  
it's a really really really bad world  
Uh uh uh uh uh  
you're gonna die out there  
i said it's a mad world Oh  
oh oh  
oh oh...
