Edney)

Wasn't looking for love

But you found me anyway

Like a shot from a gun

You just blew me away

Cos you got the power

And you got control

Ain't got no strength

And I can't fight it at all

I'll be what you want me to be

And I'll do what you want me to do

And I'll see what you want me to see

If that's what it takes to get closer to you

Well I'm down on my knees

Cos you got me in chains

So you do what you please

And you drive me insane

Cos you got the power

And you got control

Ain't got no strength

And I can't fight it at all

Be what you want me

Do what you want me

I'll see what you want me to see

To get closer to you
