Take a trip to China, if you dare

They gotta lotta old men, shooting young men there

Iran or Russia, or the USA

Old men, lay down

Lay down old man, you've had your fun

Lay down old man, your time is run

Lay down your arms, let in the light

Old men, lay down

Old men, with old clothes

Old men, with minds closed

Old men, with bad teeth

They own you, they own me

Take a trip to China, if you dare

They gotta lotta old men, shooting young men there

Old men with bad teeth

They own you, they own me

Old men, in big cars

Old men, with missiles

Old men, on T.V.

They own newspapers and they own me

Have you seen a politician, with a mile wide smile

Who didn't love himself more that a mother loves her
child

Old men, on T.V.

They own newspaper and they own me

Old men, lay down your arms - let in the light

You had your time - your time is run
