I'm on the top of the world ma, on the top of the world

You know I got me a girl ma, she makes me kiss curl  
curl

She got some kind of witch craft, and it's workin' on me

What you get ma, is what you see

She's voodoo child when she weaves her spell

Gonna send me dancing to the gates of Hell ...

Is this the end of the world ma, is this the end of the  
world

I think I'm losing control ma, you know my head's in a  
whirl

Show got her own kinda voodoo, and it's working on  
me

When we get gymnastic, ooohhhh

Well she can make me rock, she can make me roll

She makes me MAD: BAD: and dangerous you know ...

She's voodoo child, she's a living doll

She can crack the sky, watch the angels fall

I'm on the top of the world ma, I'm on the top of the  
world

I'm on the top of the world ma, on the top of the world

On the top of the world
