Hook:

I wanna get you I wanna own you
Not just for da night, baby I wanna hold you
So you get down for da love I got
And you hop in my car everything it goes F.I.N.E
It goes F.I.N.E. It goes F.I.N.E.
It goes F.I.N.E. Yo it goes F.I.N.E.
It goes F.I.N.E. It goes F.I.N.E.
For me sweet baby everything goes F.I.N.E.

Verse 1:

It was a sunshine day playa beats out of my ride
Cruzin' through the hood sexy ladies on my mind
To find a badass chick to spend this night in hotel
"Well dats a great idea" I said to myself
Through da smoke of my blunt I noticed that babe
She was juicy as hell kind of bitch I won't forget
Hey mama! Where you heading? Spend a minute with
me
Tell ur name. It doesn't matter here's my number. Call
me
I don't see the ice cube on ya hand
So my question to you is Where's ya man?
The backseat of my car is wide enough
Test drive of your body is dope for both of us
I don't wanna hurt you lady there is no need to afraid
We need to spend more time together and u want the
same shit
I know you dig my rappin' Cuz I see you smiling
So I might get some action and let's make it happen

Verse 2:

When I saw her face I turned on autopilot
My mind went wild even didn't want to fuck her
Aerodynamics like Concord fittin' hand like new colt
Makes me high like da bong turns my dick like King
Kong
The cutest face I saw the eyes are hypnotizing
I mesmerized by them and I don't see a horizon

She's not one of those who sells her pussy for dope
Any deed for her even to conquer da globe
- Are you out you mind? I'm probably that's right
- She's not one of a kind! I think I fall in love
- And what about her boobz? Size of basketball hoops
- And what about her ass? Oh that is fuckin' nasty
Her neck implies for a kiss, her hair shines as rims
Her legs like chocolate sweets, her lips cause nasty
dreams
What you say don't matter shut you mouse is better
We'll be next Bony and Clyde any way I'm gone get her

Bridge:

I wanna hold you tight I wanna feel you every night
Just want you in my life You can't tell me that ain't right
Explanation of da F.I.N.E. when I'm with you I'm ain't
rough
And I don't wanna waste my time cuz for me Friendship
s not enough
