Are you real  
Or are you a dream  
Are you true  
Or not what you see

\*coz I've been here before  
Don't wanna hurt my self no more  
Oh no no

Refrain:  
Someone who feels for me  
Who's constantly in love with me  
And cares for me  
Someone who wont say goodbye  
Someone who can change my life

Chorus:  
I hope it's you  
I hope it's you

Will you stay  
Or will you leave  
Shall I doubt  
Or shall I believe

Coz I've been here before  
Don't wanna hurt my self no more  
Oh no no

Refrain:  
Someone who feels for me  
Who's constantly in love with me  
And cares for me  
Someone who wont say goodbye  
Someone who can change my life

Chorus:  
I hope it's you  
I hope it's you...

Bridge:  
How will I know if your'e gonna be here tomorrow

Tell me baby how can say when there's no other way  
But to give you my heart, my love  
And trust you from the start  
Baby don't break my heart...
