[VERSE 1]

I always used 2 ask God.
If he can give me some that can fill this extra space in
my heart.
From the heartaches from the past, never new there
can be a beginninf to a new start....
My issue was I used 2 try 2 command God.
To make her this way, my way, Not his way.
But when I left it in hands, he opened the heaven and
gave me 1 of his angels.....

[CHORUS]

[2X]

This aint 1 of them type of love songs.
I'm just tryna show that I'm grateful and thankful.
That the Lord has send me 1 special beautiful angel....

[2ND VERSE]

I remember the day I sat down and took time to speak
to my pastor (my pastor)
Told him how I was feeling alone and I was tired of girls
taking my heart and abusing it.
And I still remember wat he excatly told me,
Was just 2 focus 4 now on my ministry.
And when I least expect it?
Gods gonna deliver me,
My dream girl, my queen, my world, my Angel...

[CHORUS 2X]

[BRIDGE]

To all the ladies if ur hay-lows fit rite let me hear u say

To all the fellas if u treating ur girls rite let me hear say

To all the ladies if ur hay-lows fit rite let me hear u say
uuuuu (uuuuu)
To all the fellas if u treating ur girls rite let me hear say
