Hook:

I'll be on my super flash it, shit you on basic
Yeah we givin money you can tell we ain't fake it
Diamonds, money stacks, of course we're poppin
bottles
Whinin, dimming, pimping for a throttle
But on another note, hah
But on another note, hey
But on another note

On another note your boy been too fly
So good to sold it with the clouds in the blue sky
My nigga is happen up the whips to do shine
Stay up waded free about the sort the news line
You tick me lovin ain't got the husband
The sis disgusting how y'all be cuffin
PIMP YOU'RE PLAYIN CAPT THE SAVIN
She gonna leave but not for me
She'll be back later
I'll go get here, more teder all in my hands
Course of cavage and marriage is not in my plans
Super fly seat and my zone caress fatties
No no zip more like yes daddy
Pimpin in the club just sippin in the club
Little whine, little diming, little tipping in the club
One night out the money ain't gonna hurt
As long as she go manana scrow back and back to
work

Hook:

I'll be on my super flash it, shit you on basic
And you'll be givin money you can tell we ain't fake it
Diamonds, money stacks, of course we're poppin
bottles
Whinin, dimming, pimping for a throttle, throttle
But on another note,
But on another note,
But on another note, huh

They say he flash he pimpin but still classy
You on pretty tone in this crime and if you don't ask me

I'm always bout a dollar break break before you holla
Better snatch your game fast I'm chargin by the hour
Time is money eat the penny always do sis
You see this nigga that you're looking at and sweep the
truth is
Bitch I'm in the zone just chillin on the throne
With no kind of hore, shit I hold my own
VIP champagne is what I'm sipping on
Baby just to shot some rocks so we can kid it on
But now I'm never sleeping always on my pries and
cues
Ain't really try to see my face upon the news
No I'm never that unless it's go a good D
I keep it calm face so it's thinking for the weed
While you'll be seating there looking all bummy
You can find me int he back bitch smelling like money

[Hook:]

I've been getting money tryin to make it out the hood
I've been hustling Mary when the summers is been
good
Couple babies out the city riding on the wood
Looking for a wild touring bitch sis in... hood
Money is been my passion, meet the deal what seating
F*ck my old friends 'cause they thought I wasn't gonna
make it
Boy you see me I'll be faded miss me with the bullshit
I see you hating us but then again
I really don't imagine a relevant
I'ma keep it hundred only trust been presidency
Fuck with some real niggas that it kill for a P
Love pimp bottle from LA to AC
Cush been to Oslo, double from the pow pow
Pimping these bitches said I'm blow BNG
This will never a real nigga focused on this figure
Try you main bitch crazy boy you're sleeping on the...
