Trapped in the country
Stuck with my auntie
The time was crawling
It was really boring

Chorus:
I will comply
And I tell you
I got something else in mine
Yeah yeah yeah yeah

Shake your brains out
Moonlight pogo
Shake your brains out
Jump like a yoyo

Way pass goodtime
High on the moonshine
He duck into his pocket

I wanna get high
You show me yours
I'll show you mine
yeah yeah yeah yeah

Chorus

In dieser Nacht stiegen wir auf 's Dach
Zusammenn beteten wir den Mnd an
Die Dunkelheit hielt uns wach
Wie romantisch
Wir sind vor Langeweile fast gestorben
Doch alles gute
Alles gute
Come on at all

Chorus
