You can't think for yourself
You're falling in
You fell out of lies, you...
You - beg - for - this
You said it yourself
You're been falling in
You ran out of line, you...
You - beg - for - this

No time for lie
Still time for killing this
Fall in, fall in, fall in
You - beg - for - this
No time for lie
Still time for killing this
Fall in, fall in, fall in
You - beg - for - this

When I said
You're falling in
You fell out of lie, you...
You - beg - for - this
You said it yourself
You're falling in
You ran out of line, you...
You - beg - for - this
No time for lie
Still time for killing this
Fall in, fall in, fall in
You - beg - for - this
No time for lie
Still time for killing this
Fall in, fall in, fall in
You - beg - for - this

Beg
Beg
Beg
Beg
Beg - for - this
No time for lies
Beg

No time for lies
Beg
No time for lies
Beg
Beg - for - this
