Looking back at me I see that I never really got it right
I never stopped to think of you
I?m always wrapped up in things I cannot win
You are the antidote that gets me by
Something strong like a drug that gets me high

What I really meant to say
Is I?m sorry for the way I am
I never meant to be so cold
Never meant to be so cold

What I really meant to say
Is I?m sorry for the way I am
I never meant to be so cold
Never meant to be so

Cold to you, I?m sorry about all the lies
Maybe in a different light
You can see me stand on my own again cause now I
can see
You are the antidote that got me by
Something strong like a drug that got me high

What I really meant to say
Is I?m sorry for the way I am
I never meant to be so cold
Never meant to be so cold

What I really meant to say
Is I?m sorry for the way I am
I never meant to be so cold
Never meant to be so cold

I never meant to be, so cold

I never really wanted you to see
The screwed side of me that I keep
Locked inside of me so deep it always seems to get to
me
I never really wanted you to go
So many things you should have known

I guess for me there's just no hope
I never meant to be so cold

What I really meant to say
Is I'm sorry for the way I am
I never meant to be so cold
Never meant to be so cold

What I really meant to say
Is I'm sorry for the way I am
I never meant to be so cold
Never meant to be so cold
