When I
I push it away
This is not what you wanted
I keep on pushing away
Without you

Sometimes I feel, sometimes I don't, this time I'm lost
inside
I guess I could have tried
This time I crossed the line
To end this journey you must disengage
And let these dreams subside

A song never leads me,
Only the words I have spoken of
Have meaning
And I will deliver you to those
Free of emotions, take me

When I
I push it away
This is not what you wanted
I keep on pushing away
Without you

Sometimes I feel, sometimes I don't, this time I'm lost
inside
I guess I could have tried
This time I crossed the line
To end this journey you must disengage
And let these dreams subside

A song never leads me,
Only the words I have spoken of
Have meaning
And I will deliver you to those
Free of emotions, take me
A song never leads me
Only the words I have spoken of
Have meaning
And I will deliver you to those
Free of emotions, take me (take me!)

Don't try!

A song never leads me
Only the words I have spoken of
Have meaning
And I will deliver you to those
Free of emotions, take me (take me!)
