Wahhh Oh no, I can't let go, I'm not the only one. I'm not the OHH!

Wahhh oh no, I can't let go, Unpredictable!

You suffer now!

This is the end of. The end of days!

Won't you forgive my! Won't you forgive my! My!

End of. The end of days! Won't you forgive my? Won't you forgive my, YEAH!

YEAHHH!

I'm weakening inside, and everybody hides.

Seperation that lies between you and I.

Is noone meant to believe?(Not sure)

When opening that(Not Sure)

I can't believe what you've been feeling inside.

I'm not alone, but you weren't there this time.

Well you can't stop me now. I'm coming!

OHHH!

I'll wait there

Blue Skies!

This is the end of. The end of days!

Won't you forgive my! Won't you forgive my! My!

End of. The end of days! Won't you forgive my? Won't you forgive my, YEAH!

And this feeling complicated all that you could give before you tore it all

Apart.

And it's peeling, Tried to make it up. That you could give before you tore

It all apart.

I cannot let it go... X3

This is the end of. The end of days!

Won't you forgive my! Won't you forgive my? Won't you

forgive my, YEAH!

And this feeling complicated all that you could give
before you tore it all

Apart.

And it's peeling, Tried to make it up. That you could
give before you tore

It all apart.
