It hurts to be alone in the cell I call my home.  
But it heals me in my mind without you by my side.  
I feel so down and out and you never knew that about  
me.  
When you fought this all away and now I know it was no  
mistake.

But it's all gone.

Nothing feels good anymore,  
Everything's wrong yeah!  
Nothing feels right anymore.  
I'm a slave to my anger,  
Everything holds me down,  
So I wont try anymore.

But it's all right.

I left without a plan, I knew you would not understand.  
It all builds up to this day, made it too hard along the  
way.  
I felt so full of doubt at the thought of running out kills  
me.  
And I kept it close to home but I love being all alone.

When it's all gone.

Nothing feels good anymore,  
Everything's wrong yeah.  
Nothing feels right anymore.  
Im a slave to my anger,  
Everything holds me down.  
So I wont try anymore.

And im still hanging on and I tried so hard for you.  
And im still holding on and I've tried my best for you.

Oh nothing feels good anymore,  
Everything's wrong yeah.  
Nothing feels right anymore.  
I'm a slave to my anger,

Everything holds me down,  
So I won't try anymore.

But it's all right.
