You wanna feel it go, go You wanna feel it go You wanna feel it go, go You wanna feel it go

You wanna feel it go, go You wanna feel it go You wanna feel it go, go You wanna feel it go

Won't you color me a picture Of your shallow needs? Together you and me will Find a pill to help stop you bleed

All this time you thought you'd never Live successfully Just turn right back around And tell yourself the delivery

You wanna feel it go, go You wanna feel it go You wanna feel it go, go You wanna feel it go

You wanna feel it go, go You wanna feel it go You wanna feel it go, go You wanna feel it go

Won't you color me a picture Of your shallow needs? Together you and me will Find a pill to help stop you bleed

All this time you thought you'd never Live successfully Just turn right back around And tell yourself the delivery

No, I'm not awake, no, I'm not awake, no, I'm not awake The more that you sleep

The less that you dream about me

No, I'm not awake, no, I'm not awake, no, I'm not awake The more that you sleep The less that you dream about me, go

You wanna feel it go, go You wanna feel it go You wanna feel it go, go You wanna feel it go

I'm not awake, I'm not awake, I'm not awake, I'm not awake
I'm not awake, I'm not awake, I'm not awake
The less you dream about me

No, I'm not awake, no, I'm not awake, no, I'm not awake The more that you sleep The less that you dream about me

No, I'm not awake, no, I'm not awake, no, I'm not awake The more that you sleep The less that you dream about me

No, I'm not awake, no, I'm not awake, no, I'm not awake The more that you sleep The less that you dream about me, go

You wanna feel it go, go You wanna feel it go You wanna feel it go, go You wanna feel it go
