Mark Heimermann and Phil Madeira

Just beneath the rafters  
In a church of stone  
Laid a stained glass window  
In the attic all alone  
A work of art forgotten,  
A treasure thrown away  
Taken from the sunlight,  
It was just a useless frame

Chorus:

Ooh the things in life we take for granted  
Ooh the things of wonder we could know  
Ooh I want to be illuminated  
Full of Heaven's light  
Shining through my life  
Let the window of my heart reveal Your love  
I took the stained glass window  
And held it to the light  
Years of hidden glory  
Reappeared before my eyes  
Every brilliant color  
Glowing like a fire  
Full of revelation  
And created to inspire  
Repeat chorus

Chant:

Thirsting for the morning sun  
I am Yours, Thy will be done  
Let Your love in me unfold  
With it's beauty to behold.  
There's a stained glass window  
In the soul of a man  
A pattern of perfection  
That was made with holy hands  
And with the light of heaven  
Pouring through each pane  
Truth in all it's splendor  
Is revealed and will remain
