"The Calling"

I believe in the coming of angels
Bleeding us all
I'll sell my soul to make a dollar off of all of you
I'll take whatever I can get until you do it

You say you give a fuck

The crusifiction just leave me alone
When all I need is your consent to carry me

Your bleeding us all
You've seen my face a million times, now its religiously
Can't pay the bills because you spent it on the T.V.
And you believe
This is a calling
But it was all inside my head

You say you give a fuck

I believe in the coming of angels
Bleeding us all
The crusifiction just leave me alone
When all I need is your consent to carry me
The crusifiction just leave me alone
When all I need is your consent to carry me

Your bleeding us all

And you believe
This is a calling
But it was all inside my head

I believe in the coming of angels
Bleeding us all
The crusifiction just leave me alone
When all I need is your consent to carry me

I - won't - be the same - ever again
I - won't - wear the blame - ever again
