When will this all be over  
How come this never ends  
This room keeps closing in on me

This pain could all be over  
If I just blinked an eye  
Keep holding on to some star  
That stops me from  
Washing the world away

Hey-Yeah Hey-Yeah  
Washing the world away  
Hey-Yeah Hey-Yeah  
Washing the world away

Why can't I get through today  
Feeling blind there's only me to blame  
But still I find, I tried to hide  
Maybe in time, I'll find my way

I feel that no one understands me  
Feel so alone  
Does anyone feel the way I do  
(I just wanna take all this love)

This pain could all be over  
If I just blinked an eye  
Keep holding on to some star  
That stops me from  
Washing the world away

Hey-Yeah Hey-Yeah  
Washing the world away  
Hey-Yeah Hey-Yeah  
Washing the world away

So how can i get through today  
Feeling blind there's only me to blame  
But still I find, I tried to hide  
Maybe in time, I'll find my way

I don't think il make it through today  
Feeling blind there's only me to blame  
But still i find, Tried to hide  
Maybe this time, I'll find my way
