I don't know what I did wrong
I didn't know what to do
I had luck with everything
And all but my love

I don't know what of my destiny
What it's gonna be
i don't know - no

I don't know what I did wrong
I don't know what to do
Why my loves is like the sky

Every night my heart
Gets me to my knees
Praying for someone
I don't know - no

But I still play this silly game
Your love for me is joy and pain
I know inside
How much you need me

You say it's freedom or we lose
And maybe I don't wanna choose
So I say please
Don't ever leave me

I don't know what I did wrong
i don't know what to do
I had luck with everything
And all but my love

I don't wanna know of my destiny
What it's gonna be
I don't know - no

Never ever would I think
It could have been that hard
Taking all this pleasure

With this hurt in my heart

All that's been before
Better let it go
Has it really been
I don't know - no

But I still play this silly game
Your love for me is joy and pain
I know inside
How much you need me

You say it's freedom or we lose
And maybe I don't wanna choose
So I say please
Don't ever leave me

Don't ever leave me love
Don't ever leave me love
Don't ever leave me love
