"Good morning, daddy!"

You're like the music
Absent from the radio
The genius of kindness
That I've found
You're like the money
That is now irrelevant
You can not keep me
From the world around

There is no past
Don't wanna wake you
Don't wanna stay
So I say thank you

Good morning daddy
Our song is only silence
Good morning daddy
Our song is only silence

You helped me always
Learn it by experience
So I learned
To be breaking every rule
You'd never think
That I could be that serious
But I don't wanna be
Somebody's fool

There is no past
Don't wanna wake you
Don't wanna stay
So I say thank you

Good morning daddy
Our song is only silence
Good morning daddy
Our song is only silence

Good morning daddy
Our song is only silence
Good morning daddy

Our song is only silence
