It's got to be my mama knocking  
She's so early this afternoon  
Got to put back on my stockings  
She has never come back that soon  
You were really the single person  
I've been waiting for to come  
She didn't let you say a single thing  
You've been caught with a smoking gun

There is more than meets the eye  
You'll get to see  
Not just my face and name and number

Just before you introduce  
Your love to me  
Let me introduce my mama

When you jumped out to my balcony  
I decided to close my eyes  
Didn't know that I'd miss my only chance  
To see just how my boyfriend flies  
I really hope you will get better  
We were lucky it was just my mom  
Do you have any idea what -  
If it was my dad ? you'd become

There is more than meets the eye  
You'll get to see  
Not just my face and name and number

Just before you introduce  
Your love to me  
Let me introduce my mama

There is more than meets the eye  
You'll get to see  
Not just my face and name and number

Just before you introduce  
Your love to me  
Let me introduce my mama

It's got to be my mama knocking  
She's so early this afternoon  
Got to put back on my stockings  
She has never come back that soon

You were really the single person  
I've been waiting for to come  
You've been caught with a smoking gun  
I've been waiting for to come  
You've been caught with a smoking gun  
?
