No I didn't trust him  
But he rushed me to feel  
Tried to mesmerize to me  
With his all sex appeal

Told me everything  
That I was longing to hear  
Shine and handsome  
My souvenir

And then all of sudden  
I have fallen in love  
He would put me down  
But I'd still place him above

Tired of searching for the love  
That still lives in him

Given my everything  
Like a souvenir

Given up my heart  
In the name of the memory  
Fallen down like rain  
He could feel every drop

Now I know have  
Have the courage to tell him  
Tell him to stop!stop!stop!

Given up my heart  
In the name of the memory  
Fallen down like rain  
He could taste every drop

Now I know have  
Have the courage to tell him  
Tell him to stop!stop!stop

I've become invisible  
I melt away at night  
Dreams for once so colorful

Become black and white

Loving once so wonderful  
Is no longer here  
So I'll keep this feeling  
Like a souvenir

Given up my heart  
In the name of the memory  
Fallen down like rain  
He could feel every drop

Now I know have  
Have the courage to tell him  
Tell him to stop!stop!stop!
