i look into your eyes
And i feel somethin i cant explain
wooh wohhh
i look into your eyes
and i see that your feeling the same
i only thought this was before the return of tears of one
way love
my heart ended upon the floor and refused to ever fall
again
but i look into your eyes
and I see you can help me come back
wooh wohhh
i look into your eyes
and you make me feel like im rich at the end
gimme tha special kiss of love
cuz i ... think i fell agaiiin

take me to the place that theres only love
take me to your heart with only one touch
show me that its worth giving my trust
show me happiness , everlasting love
tell me that its going to happen
the way i dreamed ooof .

i look into your eyes
and i feel so deeply in love
wooh woh
i look into your eyes
and of your lips i cant get enufff
gimme the special kiss of love
cuz i ... think i fell agaiiiiiinn

take me to the place that theres only love
take me to your heart with only one touch
show me that its worth giving my trust
show me happiness , everlasting love
tell me that its going to happen
the way i dreamed ooof .

take me to the place that theres only love
take me to your heart with only one touch

show me that its worth giving my trust
show me happiness , everlasting love
tell me that its going to happen
the way i dreamed ooof .
