Hombre:

Ah pasado un año y estoy recordando
That she use to be by my side
La primera vez que nos besamos
And the first time that she was mine
Mi corazon se esta ahogando
Thinking about the things that we went through
En el dia de tu cumpleaños
Solo pensaba en comprarte un regalo
Pero recibí esa triste noticia
That my love had past away

Coro:

Dios mio dime por qué te la llevaste
She was my love she was my everything
Daria todo por estar a su lado
And to kiss her at least once again
Dios mio dime por qué te la llevaste
She was my love she was my everything
Daria todo por estar a su lado
And hear her voice at least once again

Mujer:

Aqui estoy a tu lado
Nunca me a hido
Yo no te abandonado
Te amare locamente
Yo estoy con tigo y lo este para siempre
Ya me ves toca me
Siente mi cuerpo otraves como ayer
Amame siegamente
Demuestrame que tu amor es para siempre

Hombre:

Abri mis ojos y una lagrima roto
Al darme cuenta que fue algo que soñé

Coro:

Dios mio dime por qué te la llevaste
She was my love she was my everything
Daria todo por estar a su lado
And to kiss her at least once again
Dios mio dime por qué te la llevaste
She was my love she was my everything
Daria todo por estar a su lado
And to kiss her at least once again

Mi amor por qué me a dejado solo?

Nueva era eh

Coro:

Dios mio dime por qué te la llevaste
She was my love she was my everything
Daria todo por estar a su lado
And to kiss her, love her, have her again
Dios mio dime por qué te la llevaste
She was my love she was my everything
Daria todo por estar a su lado
And to kiss her at least once again

Mujer:

Siempre espere por ti
Aqui en mi otra vida
Gualdare tu amor eterno
