We belong together
together here forever
nothing will bring us apart
because we're in love.

(Make way, were back)
(Nueva era)

Remember the first time i met you
i told myself she has to be mine
fui muy dichoso y logre enamorarte
and we've been in love for all this time

es increible pensar que nuestro amor sigue creciendo
despues de tantas cosas que han pasado
te sigo queriendo

eres mi felicidad
and you're the love of my life
vives en mi corazon
siempre confia en mi amor
i always did my love
nacimos para los dos

(chorus)
We belong together (we belong together)
together here forever (para siempre mi amor)
nothing will bring us apart
because we're in love (ooooh in love)

(nunca te dejare)
(te llevare en mi corazon)
(forever)

(new era) so be careful

recuerdo cuando mandabas cartas a lo escondido
porque nadie sabia
i was too young for love they always said
y que tu eras muy joven y que no me querias
contigo he logrado todo lo que siempre he soñado

me has brindado un amor verdadero
por todos estos años

we've been down since we we're young
i'll never leave you mi amor
you are the love of my life
que dios bendiga este amor
que dios bendiga este amor
nacimos para los dos

(chorus)

we belong together (we belong together)
together here forever (para siempre mi amor)
nothing will bring us part
because were in love (oooh in love)X3
