One day Jesus - he's gonna come back  
And say enough of this  
You're getting' way off track  
All this stealin', cheatin', lyin', all the little babies cryin'  
Well I'll tell ya I can't take anymore

Cause I died for your sins so long ago  
It seems you forget with every day that rolls  
I'm gonna stop it all right now  
Before it gets way out of control

Chorus:  
Everybody's gonna stand in line  
When it comes to judgement time  
Pick the side of the fence that you're on  
When he comes to carry you home

Now if you wanna kill and die for your God  
That's your prerogative, but I'll tell you that you're  
wrong  
I think God - He's an understanding man  
But I don't think that's part of his plan  
Cause he wants us all to live in harmony  
Take care of one another when we need  
So if you want to rant and rave, murder and corrupt  
Stay away from the ones that I love

I'm not pointin' fingers, don't get me wrong  
Cause I drink and smoke and cuss  
And carry on  
This is my opinion and it's all that it is  
To let you know that my devotion is his  
I'll admit that I'm not a Saint  
I know what I can - I know what I can't do  
I can't judge your right from your wrong  
You are you and I am my own

I don't read the Bible everyday  
I can't understand most of it anyway  
But I know where I'll go when my number is shown

(Repeat Chorus)
