Blame me if you wanna blame me  
Hang me if you're gonna hang me  
Damn me if you're gonna damn me  
Don't drag me along

What's up? I know what you're thinking  
Times up, I feel this thing is sinking now  
You crack up every time you're drinking  
Don't drag me along  
Don't drag me along

Chorus:  
Don't drag me along  
(Stop dragging me)  
Stop putting me on  
Don't drag me along  
(Stop dragging me)  
It's the same old song  
Don't drag me along

And this thing, it's got it's share of glitches  
I feel it's headed for the ditches down  
Back-talking dirty sons of bitches  
Don't drag me along

And deadly, but still you try to save me  
You're crazy to ever try to play me now  
Lady, lady in the waiting  
Don't drag me along  
Don't drag me along

Repeat Chorus

(Instrumental)

Repeat Chorus 2x
