Smoke another cigarette
Drink some more booze
Check-check-check-a hey-hey-one-two
I've got ringing in my ear and I'm going deaf
You gotta keep on keepin' on
'Til there's nothing left

Roll another number down to Baton Rouge
Check-check-check-a hey-hey-one-two
I've been stumbling, sliding
Trying to step inside my dreams
Put it all together
But it just came apart at the seams

Chorus:

I ain't even got a quarter for the well
I guess all my wishes, they fell to hell

Flip another breaker, crack another fuse
Check-check-check-a hey-hey-one-two
Gonna make it, baby, even if I have to crawl
Gonna hit full speed even if I hit the wall

Repeat Chorus

Smoke another cigarette
Drink some more booze
Check-check-check-a hey-hey-one-two
I've got to build it all back up just to burn it down
Fill it up mister, I ain't got time to hang around
Fill it up mister, I ain't got time to hang around
