Here in the circle of pain without companions,  
I love you.  
Here in this circle close to oblivion,  
I lose control.

Here in the circle of pain,  
I wanna die  
Here in this circle close to oblivion,  
I love you.

Once I was the one who loved you,  
Gave you all I ever had.  
I was the one who was always with you,  
Now I am the only one that's left.  
Feel my pain and feel my sorrow:  
Pay for what you did to me.  
Now it's time for you to swallow  
The mercy you gave to me.

Here in the circle of pain without companions,  
I love you.  
Here in this circle close to oblivion,  
I lose control.

Here in the circle of pain,  
I wanna die.  
Here in this circle close to oblivion,  
I love you.

Once I was the one who loved you,  
Gave you all I ever had.  
I was the one who was always with you,  
Now I am the only one that's left.  
Feel my pain and feel my sorrow:  
Pay for what you did to me.  
Now it's time for you to swallow  
The mercy you gave to me.

Here in the circle of pain without companions,  
I love you.  
Here in this circle close to oblivion,  
I lose control.

Here in the circle of pain,  
I wanna die.  
Here in this circle close to oblivion,  
I love you.
