If you wanna get lost you gotta be angry  
If you wanna get on you gotta be angry  
The city gobbles up our town  
(its not the fireworks that make this man)  
My knees are knockin at the sound  
(its not the fireworks that make this man)  
I'd push but I'd push us too far  
All the luck in our hands  
Tangled up with our plans  
I'm on top of the world cause we've got it all  
Buttons for teeth and yeah we've got it all  
If you wanna get lost you gotta be angry  
If you wanna get on you gotta be angry

One of us is act now  
One of us is gone down  
One of us is out loud  
Its not the fireworks that make this man

Chorus

Oh my stars oh my stars oh my lord  
Oh my stars oh my lord  
Oh my stars oh my lord  
If they come I will stay  
And build a home out of plates  
Somebody's gonna get angry

Chorus
