

Nuts In A Blender "Light A Fire Tonight"

Visit "[Light A Fire Tonight](#)" on [MotoLyrics.com](#)

You better hold on tight
Cause I'm gonna love you nice
I'm gonna do it right
Let me light a fire in you tonight

My eyes have never seen
Someone who looks like you
I wonder if you dream
Of my hands lovin you
Because I know I do
Every day and every night
And I know I'll lose control
If I can't crush this apatite

This dream is eating me alive
This dream is eating me alive
Can't you see I'm burning up inside
I pray I will not be denied

Lets light a fire tonight
Lets play the music loud
Lets build the flames up high
Lets burn into to the ground

You better hold on tight
Cause I'm gonna love you nice
I'm gonna do it right
Let me light a fire in you tonight

I've got a perfect plan
To have you in my arms today
Your so well endowed
There no price that I wont pay

This dream is eating me alive
This dream is eating me alive
Can't you see I'm burning up inside
I pray I will not be denied

Lets light a fire tonight
Lets play the music love
Lets build the flames up high

Lets burn into to the ground

You better hold on tight
Cause I'm gonna love you nice
I'm gonna do it right
Let me light a fire in you tonight

This dream is eating me alive
This dream is eating me alive
Can't you see I'm burning up inside
I pray I will not be denied

Lets light a fire tonight
Lets play the music loud
Lets build the flames up high
Lets burn into to the ground

You better hold on tight
Cause I'm gonna love you nice
I'm gonna do it right
Let me light a fire in you tonight
