[1st Verse:]

Jump out the whip I'm feelin zooted, plus the fit is lookin
crispy...
Diamonds when I'm smilin, but I'm wildin cause I'm
pissy...
My jays are hater makers, others hate to see um wit
me...
I'm stuntin till it's nuthin, or until they come and get
me...
Spittin, no one matchin me, pen game is a travesty...
Greet me as your majesty, or we gon have some
tragedies...
Club is goin crazy, all the ladies steady grabbin me...
They said I'm like the matchin gucci packs, because
they baggin me...
Marc jacob frames, on my eyes to keep the lights dim...
Dark baby blue diamonds lookin like a night swim...
Dipped, I'm full equipped, it even says it on my
liscense...
I hit the stage, and all the dames they whipser, ohh I
like him...
Try and cause a scene my team crackin on ya spleen...
Stackin on the green, fly, young flashy on the scene...
Freshest when I gleam, you others know jus what I
mean...
You catch me mobbin wit my team I keep it pinesol
clean...

[2nd Verse:]

I'm flamboastin while they swagga jockin, tryna get a
sneak peak...
Air forces kill um, wear a different pair like each week...
Aint fair when I'm stuntin, others bummin, I'm a neat
freak...
You scuffin, then I'm touchin, fam it's nothin try and
beat me...
My belt buckle loud, and always shine'n so just speak
up...
Sippin on that fluid, get you stupid, slurr your speech
up...
Squad is here to do it, man you others here get beat
up...
They upset cause I'm fluent and my style is always
geeked up...
Fresh ed hardy on the tee, I got you likein this...
Rock the matchin jeans, I'm versitile, that's why I'm
writin this...
Ya chick see me catchin feelins, aint no fightin this...
The sun hits the karats, garuntee you it's the brightest
wrist...
I'm on lean smashin people call me king man...
My status so fly, it's no lie, jus check the wing span...
Surely try, but no one cracks it quite like he can...

NV Sicc and Jackson County here to let the wackest
