Looking back at me I see
That I never really got it right
I never stopped to think of you
I'm always wrapped up in
Things I cannot win
You are the antidote that gets me by
Something strong
Like a drug that gets me high

What I really meant to say
Is I'm sorry for the way I am
I never meant to be so cold,
Never meant to be so cold

What I really meant to say
Is I'm sorry for the way I am
I never meant to be so cold,
Never meant to be so cold

To you, I'm sorry about all the lies
Maybe in a different light
You could see me stand on my own again
Cause now i can see
You were the antidote that got me by
Something strong like a drug that got me high

What I really meant to say
Is I'm sorry for the way I am
I never meant to be so cold,
Never meant to be so cold

What I really meant to say
Is I'm sorry for the way I am
I never meant to be so cold,
Never meant to be so cold

I never meant to be so cold

(quitter solo)

I never really wanted you to see
The screwed up side of me that I keep

Locked inside of me so deep
It always seems to get to me
I never really wanted you to go
So many things you should have known
I guess for me there's just no hope
I never meant to be so cold

What I really meant to say
Is I'm sorry for the way I am
I never meant to be so cold,
Never meant to be so cold

What I really meant to say
Is I'm sorry for the way I am
I never meant to be so cold,
Never meant to be so cold
