

## Crossfade

### "Silently endlessly"

Visit "[Silently endlessly](#)" on MotoLyrics.com

Shadows dance behind the eyes  
of the one I love  
Facing life without you near,  
is moving closer to the way I feel.

I watch your mouth,  
it whispers nothing,  
my heart hears every word  
My eyes can see the way  
silently, endlessly.

Your face, I've seen it laugh and cry,  
now my soul belongs to you and I.  
Our lives weren't meant to pass us by,  
as one we'd face the rest of life's  
sweet dreams.

Take my hand and walk awhile with me,  
lead me through this broken land.  
Your warmth I need to keep me sane,
