So I'm the king  
Of all these things  
Of this mess I have made  
Such a waste  
What a shame  
My whole life is a fake  
Well I'm a bore  
And I'm sure  
I'm a thorn inside of you  
That has torn at you for years  
The alcohol  
The demerol  
These things never could replace  
What a minute with you could do to put a smile on my  
face  
I'm a bore and I'm sure  
I'm a thorn inside of you  
That has torn at me for years  
I can't get out of this dead skin  
I can't shed my skin  
I'm not sure where to begin  
Why can't I begin again  
I can't get under my dead skin  
I can't shed my skin  
Can I sleep til then  
Phenobarbital and alcohol  
These two surely will do  
To knock me out  
Keep me down atleast a day or two  
When I'm awake  
I can taste how bitter I've become  
And it's more than I can bare someday  
I pray someone will blow me away  
Make it quick  
But let it burn  
So I can feel my life fade  
Well I'm a waste and I can taste  
How bitter I've become  
And It's more than I can bare  
I can't shed my skin  
I can't shed my skin
