That i'm makin it I gotta get mine and nobody's takin it  
away  
(No!) cause hammer don't play that you try to get mine  
boy you better step back freeze (freeze) cause  
You don't want none I hustle for my muscle and you  
look  
Weak son (real weak) yea!... i'm goin for all that I can  
get

and charge you by the hour i'm shakin like a quake and  
funks

competitors who think they're makin up all the rules,  
fools  
in the game lame and insane it's a shame I gotta do  
this but  
i remain the same unchanged gettin better never  
known  
as a sweater kickin it at the top cause I got myself  
together  
so roll with a guy who's physical and fit knows the time  
and too legit to quit...sang!
