"For You"

Destroy into
Consoling notes
When we sing it in a song
From our hearts we grow
Like sweet summer skies
From distant miles away.

For all time
You speak to my mind
It's alright
I can deny
All that I'm wishing for.

You made up all this fantasy
Dreams are crashing
Into galaxies
Bestow and rhyme
Like stories
And I will count
The words you said

For all time
You speak to my mind
It's alright
I can deny
All that I'm wishing for

Bridge:
Stars are promises
That we keep!

Adlib:

For all time
You speak to my mind
It's alright
I can deny.
All that I'm wishing for.

For you for you.
For you for you.
