Fight like vendetta  
Smoke the dro but the Kush is better  
It's whateva F the hater  
Step ya game up I'm on the escalator  
Check the player It contains this fix  
O G is back with a sweet One Six (16)  
Who run this? And made ya felt rich  
And still strapped up like a seatbelt b\*tch  
It's O G Yeah, you know me  
Nine Eleven (911) Hoover, but I'm still loccin'

With a real crisp flow On a roll like Six-Oh

Gun go pop your lungs gone stop  
Hate it or love it the underdogs on top

This game is garbage, wont even go gold  
When I drop I'ma go platinum times four
