----Chorus----

Hoodrats mayne, they make the world go round
But I'm not giving a damn, because when I'm coming
around
I make your girl go Down, Down, Down
HoodRats mayne, they make the world go round
Not giving a Damn, because I'm ready to pound
When them HoodRats around round round

-----Verse-----

Around middle school is when I first ran into ya
My first white HoodRat that resigned in Valencia
I picked her up and she knows what lives ahead
She was one of them types, that like giving head
And with that said I handled business
Had her sticking out her tongue more than her local
dentist
Even had a witness That just stirred up trouble
She never watched T.V. but never missed my daily
double
Down to flip Oh yeah, can't forget
My Rialto chica who called whenever for the dick
Got cheddar from this chick
She keep me icy she would do whatever just because
she liked me
Sayin' "O G Money" like how you know my name?
Complaining about these HoodRats, well now you know
my game
Something like Jay-Z because I'm on to the next one
And no we don't go out, just a girl I get sex from
Not trying to impress them
More like the opposite of stress them
Then test 'em Go Fishin'
See if I can catch 'em slippin'
Dip in late night wipin'
Then I'm getting home know I need to leave 'em alone
But there's so many from city to city
That want to lick me down like this chick in the agg
town
Wore a heart shaped necklace

Said she was new to Texas
Said she needed a friend I thought it was all pretend
But uh... ha well I took advantage
I'm sorry but in a flash, I smashed and vantage
A week later, heard da homie did damage
Da Big homie told me that they weren't afraid of
cameras
Well Damn, there goes another one
And I heard Shar'na had another son
I guess this is a subject I can wrap
I guess that's a life of a hoodrat
