These thoughts in my head  
To you my thoughts mean nothing  
Empty is your world  
Existing is your crime  
Your Ignorance alone is enough to make me hate you  
Pathetic  
Helpless fool  
Your life ain't worth a dime

Take a good hard look  
We're a breed apart

Your blinded from the truth  
Your life is an illusion  
You're hanging by a thread and threatening to fall  
Just leave me alone  
I'm better off without you  
I laugh at you fool  
You and your empty mind

I am straining  
I am paining  
Hit me  
Hit me  
I won't feel it  
All is hollow  
Growing sorrow  
Stop my madness  
We're a breed apart
