### "Leave It Behind"

Grown so tired of the burning inside  
Rising above  
Live confined time to leave it behind  
Leave it behind  
Brick by brick got to tear it all down  
Bringing it down  
Been so hard got to set myself free  
Learn to be free

I'll be strong  
Too far to turn back  
I'll be strong

Day and night got to live with myself  
Die with myself  
Still I strive that is all I can do  
All I can do  
Brick by brick learn to tear it all down  
Bringing it down  
Live confined time to leave it behind  
Leave it behind
