And I hope this is everything
You've ever wanted it to be
When you are nailed to a cross,
And sold out by your best friends
If your not and your words are bound
To your wrists like I love you is to hate
And we all know, we all Know it's 100% due

I get what I deserve,
You will get what you deserve
And I wake up every morning
And see a thorn of crowns above my smiling face
It's sad but true
We are martyred by by our closest
By our best friends

When you're nailed to a cross
And sold out by our best friends
If your not and your words our bound
You get what you deserve
I get what I deserve!
And go ahead and talk your talk
And go ahead and walk your walk
Go ahead shit talk now
I'll get the best of you either way
And I keep my enemies close to get what I deserve
