

O Pioneers!!! "We Have Friends"

Visit "[We Have Friends](#)" on MotoLyrics.com

We build walls, We build castles

I'll pick up the slack

I've done it for so many before

I'm not a martyr

No, I'm not saying that at all

But what are friends for

For when you fall

You drop the line

I'll pick it up

When you stumble, when you fall

And I don't mind. No I don't mind

I just wish I had a friend from time to time

And oh I don't mind at all, and to my friends

I can't express this feeling I get when

I can't express this feeling

What are friends for,

Yah what are they for?

What my friends taught me mean everything to me
