Christmas just ain't Christmas without the one you love.  
New Year's just ain't New Year's without the one you  
love.

Underneath the mistletoe, I saw a face all a glow,  
Last year this time.  
Now I stand all alone and my house is not a home  
Without that girl of mine. Oh.

Christmas just ain't Christmas without the one you love.  
And New Year's just ain't New Year's without the one  
you love.

12 o'clock and all is well and I was doing oh so swell,  
Last year this time.  
Going shopping for presents together would make it  
last a week,  
But it would never.  
It was a waste of time. Oh.

Christmas just ain't Christmas without the one you love.  
Oh, oh, oh.  
New Year's just ain't New Year's without the one you  
love.

Oh, oh.  
Christmas just ain't Christmas without the one you love.  
Oh.  
And New Year's is just another lonely night without the  
one you love and ohhhhh, no.  
(Christmas just ain't Christmas) No, no. (without the one  
you love.)  
I'm gonna be lonely.  
I'm gonna be lonely,  
(New Year's just ain't New Year's...)  
Oh, oh, 'cause I said I need your loving. Need.  
Christmas just ain't Christmas without the one you love.  
Oh, oh, oh, oh, oh, oh.
