Money money money money, MONEY
Money money money money, MONEY
Money money money money, MONEY
Money money money money, MONEY
Money money money money, MONEY
Money money money money, MONEY

Some people got to have it
Hey, Hey, Hey - some people really need it

Hey, listen to me, y'all do thangs, do thangs, do thangs
- bad thangs with it
Well, you wanna do thangs, do thangs, do thangs -
good thangs with it - yeah

Un Huh, talkin' bout cash money, money

Talkin' bout cash money - dollar bills y'all - come on,
now

Yeah, yeah
Yeah, yeah

For the love of money
People will steal from their mother

For the love of money
People will rob their own brother

For the love of money
People can't even walk the streets
Because they'll never know who in the world they're
gonna beat
For that mean, oh mean, mean green

Almighty Dollar!

Cash Money

For the love of money
People will lie, rob, they will cheat

For the love of money
People don't care who they hurt or beat

For the love of money
A woman will sell her precious body

For a small piece of paper it carries a lot of weight
Oh, that mean, mean, mean, mean, mean green

Almighty Dollar!

Talkin' bout, talkin' bout - cash

I know that money is the root of all evil
Do funny things to some people

Give me a nickel, brother can you spare a dime
Money can drive some people out of their minds

For the love of money
No good, no good, no good

For the love of money
Don't sell ya soul for the money - no, no

For the love of money
Lay down, lay down - women will

Money is the root of all evil
Do funny things to some people

Give me a nickel, brother can you spare a dime
Money can drive some people out of their minds

For the love of money
Got to have it - I really need it

For the love of money
Give it up, give it up, give it up - yeah

For the love of money
Got to have it - some people really need it

For the love of money
Give me, give me, give me - cash money

For the love of money
I need - I need

For the love of money
Keep me, keep me, keep me - happy

For the love of money
For the love of money
How many days have I heard ya say

For the love of money
Don't let it, don't let it - don't let money rule ya

For the love of money
How many days have I heard ya say

For the love of money
Don't let it, don't let it - don't let it, don't let money fool
you, no

For the love of money
Yeah, yeah, yeah, yeah

For the love of money
Got to have it - I really need it

Don't do it - don't do it

Brother - save ya soul - save ya soul - don't sell it
For that mean, mean, mean, mean green

People, don't let money, don't let money change you

Almighty Dollar!
