Ooh-wah, ooh-wah, ooh-wah, ooh-wah  
Ooh-wah, ooh-wah, ooh-wah, ooh-wah  
Ooh... ooh... ooh... ooh...

Don't let it get you down, girl  
Don't let it get you down  
I'll bring you back around, girl  
I'll bring you back around

He broke your heart  
And made you cry  
He took your love  
Then said goodbye

You live and you learn  
Experience will teach you every time  
I told you I'd be standing here  
'Cause I'm the next in line

Don't you let it get you down, girl  
Don't let it get you down  
I'll bring you back around, girl  
I'll bring you back around

He promised you  
Security  
But it was only  
Fantasy

Here's my shoulder  
It's for you to cry, to cry on  
I offer you a true love  
A love you can rely on

Don't let it get you down, girl  
Don't let it get you down  
I'll be standin' right there to bring you around, girl  
I'll bring you back around

{Ooh}  
Ooh-wah, ooh-wah, ooh-wah, ooh-wah  
Ooh-wah, ooh-wah, ooh-wah, ooh-wah

Ooh... ooh... ooh... ooh...  
(Ooh-wah)  
{Ooh, ooh, ah}  
Ooh-wah, ooh-wah, ooh-wah, ooh-wah  
Ooh-wah, ooh-wah, ooh-wah, ooh-wah  
Ooh

Here's my shoulder  
It's for you to cry, to cry on  
I offer you a true love  
A love you can rely on

Don't let it get you down, girl  
Don't let it get you down  
I'll be standin' right there to bring you back around, girl  
I'll bring you back around

He broke your heart and made you cry  
Don't let it get you down  
Here's my shoulder to cry on  
Don't let it get you down

He took your love and said bye-bye-bye  
Don't let it get you down, get you down  
So I'm offerin' you true love  
So don't let it get you down

He promised you security  
Don't let it get you down  
Everybody knows, everybody knows that you're too  
fine, too fine  
Don't let it get you down
