"Keep On Lovin' Me"

Lovin' you is such a pleasure
Especially when you're holdin' me like this, baby
The love we share can't measure
Each and every day just gets better

'Cause I found out that you were all that's missin'
In my life and it's you that made me realize

There's someone who can do it right
Love me, baby, both day and night
No one can do what you do
'Cause you do it right, oh oh

Keep on lovin' me, baby
Keep on lovin' me right
Keep on lovin' me, baby
All through the night

Keep on lovin' me, baby
Keep on lovin' me right
Keep on lovin' me, baby
All through the night

From where I sit I can see our future
There we are as real as can be
Picture this, everyday is like heaven
And every night just like paradise

'Cause I found out that you were all that's missin'
In my life and it's you that made me realize

There's someone who can do it right
Love me, baby, both day and night
'Cause no one can do what you do
'Cause you do it right, oh baby, oh baby

You've got the right kind of love
Right kind of love
You got what I need
Girl, won't you give it to me?
Keep on, keep on

Keep on lovin' me, baby
Keep on lovin' me right
Keep on lovin' me, baby
All through the night

Keep on lovin' me, baby
Keep on lovin' me right
Keep on lovin' me, baby
All through the night

Keep on lovin' me, baby
Keep on lovin' me right
Keep on lovin' me, baby
All through the night
